Confirmation Number: B 11000020500 03 09/27/2017 10:47:34 Data Release Number (DRN): 9999

Congratulations, JOHN! Your FAFSA was successfully submitted to Federal Student Aid.

#### What Happens Next

- In 7-10 business days, we will mail you a Student Aid Report (SAR) notifying you that your FAFSA was processed.
- Your FAFSA information will be made available to your school(s), and they will use it to determine the aid you may be eligible to receive.
- Your school(s) will contact you if they need more information or when they are ready to discuss your financial aid award.
- If you have questions about your financial aid package, contact your school(s).

#### School(s) on your FAFSA:

School Name	Graduation Rate	Retention Rate	Transfer Rate	Additional Information from <u>College Navigator</u>
ALABAMA AGRCLTL & MECHL UNIV	27%	58%	38%	NA
UNIVERSITY OF ALASKA ANCHORAGE	24%	70%	21%	NA

#### Eligibility Information

Estimated Expected Family Contribution (EFC) = 999999

The EFC is a measure of how much you can contribute to the cost of your education. Schools use your EFC to determine your federal student aid eligibility.

The EFC is not how much aid you will receive or how much you have to pay for college.

Based on the eligibility criteria, you may be eligible for the following:

Pell Grant Estimate - \$5,370.00

Direct Stafford Loan Estimate - \$5,500.00

You may also be eligible to receive other federal, state, or institutional grants, scholarships, and/or work-study.

In addition, you should learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

You and your parent(s) indicated that you had filed an IRS tax return when you provided your financial information and it appears that you were eligible to use the IRS Data Retrieval Tool, which allows you to transfer your IRS tax return information directly into your FAFSA. The benefit of using the tool is that it's the easiest way to provide accurate tax information, and it also eliminates the need for providing a copy of your and your parents' tax return to the financial aid office at your college. Once your FAFSA has been processed, you and your parents can return to FAFSA on the Web and use the tool to transfer your tax information.

\*\*This is an estimated EFC. The official EFC will be determined once the financial aid process has been completed by the college the student is attending.

### PROCESSING RESULTS

- U.S. Department of Education/Federal Student Aid notifies student that their FAFSA was processed successfully
- Review Student Aid Report (SAR) for errors
- Update or correct FAFSA, if necessary
- FAFSA information is sent to school(s) electronically
- Once school receives information additional documents may be requested

# WHAT IS THE EXPECTED FAMILY CONTRIBUTION (EFC)?

- Calculated using data from a FAFSA application or Dream Act application.
- Stays the same regardless of college selected.
- Your EFC is **not** the amount of money your family will have to pay for college **nor** is it the amount of federal student aid you will receive.
- It is a measure of your family's financial strength and is calculated according to a formula established by law.
- Your family's taxed and untaxed income, assets, and benefits (such as unemployment or Social Security) are all considered in the formula. Also considered are your family size and the number of family members who will attend college during the year.
- Colleges use this to determine your federal student aid eligibility and financial aid award.

# WHAT IS COST OF ATTENDANCE (COA)?

Direct and Indirect costs combine into cost of attendance

- Direct Cost:
  - Campus Fees
  - Tuition
- Indirect Cost:
  - Books and Supplies
  - > Room & Board
  - > Personal Expenses
  - Transportation

\*\*COA varies widely from college to college

## WHAT IS FINANCIAL NEED?

**Cost of Attendance (COA)** 

- Expected Family Contribution (EFC)
- = Financial Need

\*\*A student can receive any combination of aid (need based or non-need based) up to their cost of attendance.\*\*
