 - **Each student should consider the following when selecting courses for next year:**
 1. Do my course selections correlate with my post high school plans?
 2. How much time can I reasonably commit to studying given my responsibilities outside of school (work, athletics, other)?
 3. Have I met the course prerequisites?
 4. **Level changes** (from an honors/AP to college preparatory course) will be considered for the first **four weeks** of the semester if there is space available.

- Complete the ONLINE registration:**
