

Class of 2019 Registration Tip Sheet

2018-2019

ALL STUDENTS MUST REGISTER FOR CLASSES ONLINE

All LCC students register for their classes online using their Aeries Account.
Students may use their student account or their parent's account.

The **ONLINE ENTRY window** for 12th grade registration is **February 12th through February 26th**.

- Choose your courses wisely** – the choices you make now will determine your 2018-2019 schedule. Schedule changes **will not** be made to accommodate teacher requests, off-campus classes, or extracurricular and athletic activities. Students must take a minimum of 5 classes and it is recommended that you take a full course load of 7 classes.
 - **Each student should consider the following when selecting courses for next year:**
 1. Do my course selections correlate with my post high school plans?
 2. How much time can I reasonably commit to studying given my responsibilities outside of school (work, athletics, other)?
 3. Have I met the course prerequisites?
 4. If I take an Advanced Placement (AP) course, am I willing to accept the challenge of a college-level course? ** **Level changes** (from an honors or AP course to college preparatory course) will be considered for the first **four weeks** of the semester if there is space available.
