

9th Grade Registration Tips

(Current district enrolled 8th graders)

2018-2019

All current district students must register for classes online by using their AERIES student or parent's account.

Current non-district students will be scheduled into courses upon receipt of the course selection contract and residency verification.

The **ONLINE ENTRY** window for 9th grade registration is **March 22 through March 29**.
After March 29 you will be unable to register for your classes online.

- Choose your courses wisely** – the choices you make now will determine your 2018-2019 schedule. Schedule changes **will not** be made to accommodate teacher requests, off-campus classes, or extracurricular and athletic activities.
 - **Each student should consider the following when selecting courses for next year:**
 1. Do my course selections correlate with my post high school plans?
 2. How much time can I reasonably commit to studying given my responsibilities outside of school (work, athletics, other)?
 3. Have I met the course prerequisites?
 4. **Level changes** (from an honors/AP to college preparatory course) will be considered for the first **four weeks** of the semester if there is space available.
 - **Descriptions** of the courses listed on your sheet can be found on the counseling web page at lc.sduhsd.net > Counseling > Course Profiles.

- CURRENT district students complete the ONLINE registration using the course selection contract as the guide:** (PPT resource available at lc.sduhsd.net > Counseling > On Line Registration)

 2. In the upper right corner there is a pull down menu. Click on the arrow and select your name with **"Pre Enrolled La Costa Canyon High School"** next to it.

 4. To choose your classes select **"Show All Courses"** in the Subject Area.
 5. Select courses by clicking on the course title, using the **course selection contract** to make your choice.
 6. Classes will be listed on the left hand of the screen, please confirm the correct title is listed.
 7. You must choose alternates for your elective classes. You can select *one* alternate in the AERIES portal using the pull down menu; record your additional alternates on the course selection contract.
