LCC Families,

LCC is proud of our new bell schedule and the built-in Extended Study Period to help support, connect and guide students. In addition, collaboration days (or early-out for students) every other Monday, will provide staff additional opportunities to work as a professional family. Please visit our school homepage and/or download our new mobile app to stay up to date with our daily bell schedule, student assemblies and important information. **2016-2017 [Bell Schedule & Calendar](#)**

This year, LCC will be engaged in a “self-study” in preparation for a visit from the [Western Association of School and Colleges \(WASC\)](#) in the Fall of 2017. This self-study requires input from students, staff, parents and the greater community. A parent committee will meet periodically throughout the school year to provide WASC input. We will need parent and community member participation that reflects the diversity of our school campus, so we will not be able to include all interested parties in the parent committee. If you are interested in serving on the parent committee, [click here](#). Later in the school year, we will send out a parent survey to get important input to add to our self-study.

Finally, LCC is always looking for parent volunteers to serve on Student Site Council. Please contact Karl Eppel @ karleppel@roadrunner.com if interested. For more information click [here](#)
