LCC THEATRE WINS BEST SHOW:

The fall play, *The Love of Three Oranges*, was selected by the California Education Theatre Association (CETA) as the "**Best Show In San Diego County.**" To celebrate the recognition, the theatre students will transport the set to the CETA Festival, in Los Angeles, where they'll perform the entire show for an audience of 1,500. WE DID IT!

WOW! That's all we can say to our LCC community. Just...

\$126,000

With more participation than we have ever had before, we have reached, and surpassed(!), our goal of \$125,000 in parent donations! We had a flurry of last minute donations (including one large gift that put us over the top), and for the last 50 days, every single donation was matched dollar for dollar by our 10 families who so generously gave \$5,000 each (such a special thank you to the following families: Nicholas, Roberts, Leddy, Geier, Hnatek, Winter/Flicker, Beacham, Camarena, Schroeder, and an anonymous donor).

To put this into perspective, this is almost 300% more than we raised only 3 years ago. It's truly incredible. And now, we will be able to grant more money than we ever have, back to our teachers and classrooms, to make their high school experience that much more memorable, and prepare them for life beyond high school.

On behalf of the Foundation, Principal Marcus, and all of our teachers: Thank you, thank you, thank you! We did it Maverick Family!

*Thank
you*

»»« Looking for folks in the LCC Community to volunteer skills »»«

We have an amazingly skilled and talented community, and tapping into that resource is as important as fundraising for our classrooms. If time allows, please come and share your knowledge with the Foundation. We currently have a need for volunteers in the following areas, the majority of which can be done from home!

Volunteer Coordinator:

The Foundation is looking for a parent volunteer to coordinate and send out SignUp Genius emails for both high school and Foundation-sponsored events throughout the year. Experience not required. Training will be provided.

Marketing Committee:

1. Compile the Foundation eNews (too easy!).
2. Manage our eBlasts (targeted emails via a program called Vertical Response. Training provided).
3. Manage and update the Foundation's website (WordPress knowledge beneficial, but if you're a fast learner, not required).

IT Support:

If you like to dabble in code, challenge yourself when computers or printers breakdown, monitor backups, databases, php programming, and more? This could be your dream hobby.

Please contact president@lchsfoundation.org to inquire!
