»» Looking for folks in the LCC Community to volunteer skills »»

We have an amazingly skilled and talented community, and tapping into that resource is as important as fundraising for our classrooms. If time allows, please come and share your knowledge with the Foundation. We currently have a need for volunteers in the following areas, the majority of which can be done from home!

Volunteer Coordinator:

The Foundation is looking for a parent volunteer to coordinate and send out SignUp Genius emails for both high school and Foundation-sponsored events throughout the year. Experience not required. Training will be provided.

Marketing Committee:

1. Compile the Foundation eNews (too easy!).
2. Manage our eBlasts (targeted emails via a program called Vertical Response. Training provided).
3. Manage and update the Foundation’s website (WordPress knowledge beneficial, but if you’re a fast learner, not required).

IT Support:

If you like to dabble in code, challenge yourself when computers or printers breakdown, monitor backups, databases, php programming, and more? This could be your dream hobby.

Please contact president@lcchsfoundation.org to inquire!
