# LA COSTA CANYON eNews HIGH SCHOOL

**It's official!** Yesterday, March 5, 2018, LCCHS received the official letter of authorization from International Baccalaureate. Therefore, LCCHS is authorized to begin offering IB courses and the IB diploma for the 2018/2019 academic year. As the letter stated, "As an IB World School offering the Diploma Programme, LCCHS is part of a global community of schools committed to developing knowledgeable, caring young people who will be ready to negotiate their futures successfully and make contributions resulting in a more harmonious and peaceful world."

LCC would like to take this opportunity to commend the school's educators, administrators, students and families for their active roles in choosing to offer the IB DP. Additionally, at the next Morning with the Principal meeting on March 16, parents will have an opportunity to gather information and ask questions about IB and the diploma programme.

Congratulations LCC!

Over the recent 4-day weekend, 13 students competed at the Cal Speech & Debate Invitational taking place at UC Berkeley! We had an incredible time at the tournament, in the Berkeley neighborhood as a whole, and even in San Francisco. This is one of the most competitive tournaments in the world, hosting 180 schools from 18 states and 5 countries. Valerie Aguilera Octofinaled in Dramatic Interpretation, and Alondra Alvarez Octofinaled in Dramatic Interpretation and Quarterfinalled in Thematic Interpretation. I hope you join me in the pride I feel for how well our team represented LCC at the Cal Invitational.

The San Dieguito Union High School District requires **annual residency verification** for all continuing SDUHSD students and any new students enrolling for the 2018-19 school year, beginning February 1, 2018. This process is a legal requirement in California, and it helps our district ensure that all available resources are spent efficiently and effectively to the benefit of SDUHSD families. Moreover, these additional steps will help provide a full and precise account of our student population as we review staffing for the coming year.

**All continuing students in grades 7 through 11 must submit required residency documentation by March 30, 2018 in order to schedule classes for the 2018-19 school year.**

**Forms should be dropped off at your student's school.** Required verification forms can also be found [here](#) or can be picked up at your student's school.

Check the SDUHSD [website](#) or follow us on Facebook for updated information. If you have additional questions regarding **residency verification**, please email [verify@sduhsd.net](mailto:verify@sduhsd.net).

**Stay up-to-date with your class. Sign up for Remind to receive informational text messages:**

**Prevent Fatal Cardiac Arrest in Youth**  
**FREE Heart Screening For Ages 12-25**

**Sunday, March 25 • 9am to 3pm at Torrey Pines High School**

**3710 Del Mar Heights Rd, San Diego, CA 92130**

*Provided by the Eric Paredes Save A Life Foundation and a medical team led by Scripps cardiologist Dr. John Rogers, MD.*

Every year thousands of our kids die when their heart suddenly and unexpectedly stops beating. Known as Sudden Cardiac Arrest (SCA), this syndrome can happen without symptoms or warning signs. San Diego alone loses three to five teens annually.

It's not a heart attack. SCA is an abnormality in the heart's electrical system that can be detected with a simple ECG. But **97% of SCA victims die before they reach the hospital.**

Through a partnership with Torrey Pines HS, parents have the opportunity to have their teens screened at no cost. The screening is completely non-invasive (no needles or x-ray exposure), painless and takes about a half hour to complete a health history, ECG and echocardiogram if indicated. You are notified of the results for follow-up with your own family doctor.

The biggest misconception about SCA is that it won't happen to your teen. You have no family history...your child has no symptoms...your doctor has not indicated a screening is needed. But there is a dangerously low awareness of SCA among parents and the medical community, even though it's **a leading cause of death in the U.S. for youth under 25 and #1 killer of student athletes.**

**Torrey Pines HS invites you to screen your teen.**

**Simply register at [EPSaveaLife.org](http://EPSaveaLife.org)**

### Eric A. Paredes May 3, 1994–July 23, 2009

*Eric was a healthy teen looking forward to being on the varsity wrestling team. An outgoing, energetic, charming young man who loved life, his family and his friends, Eric was known for his smile. He was passionate about making changes so that the world could be a better place. He wanted to be a police officer.*

*In July 2009, Eric was packing his suitcase to go on a much-anticipated family cruise. His mother left the house for an appointment and his father came home for lunch 20 minutes later. He found Eric collapsed on the kitchen floor and started CPR, but it was too late. Life changed that day, forever. Long Q-T Syndrome is suspected.*
