Dear LCC Community,

At LCC, there are many opportunities for students to connect through elective courses offerings, student clubs, extra-curricular activities, competitive athletics, and Associated Student Body (ASB) sponsored events. Our goal is to ensure students have the necessary resources and daily opportunities to connect with students and staff.

At Maverick School Business Days, students have the opportunity to take care of all paperwork. Students will take their yearbook picture; receive their student I.D. card, purchase an ASB card, yearbook, PE clothes and more. In addition, counselors will be available to meet with students.

If you miss School Business Days, please make sure you bring all required forms to the administrative office before school starts.

In order to expedite the process, please take a moment to visit [Mav School Business Days](#) to check the appropriate time slot (by last name) as well as downloadable forms.

All parents need to verify and update data confirmation, for each child, on the Parent Portal (an email from the district office was sent out to all families earlier this week). After updating all information, please print a copy to include the signature page found on page 2 and bring to Maverick School Business Days. If unable to access the Parent Portal, we will have workstations available in the Learning Commons.
