Meet Your Mavericks—Bjorn Paige

For the first few weeks of school, the Maverick Enews will run a special section on some of the new faces at LCC. This week, we are getting to learn more about Bjorn Paige, Assistant Principal.

Hello Maverick Family! My name is Bjorn Paige, and I'm pleased to be a member of the LCC High School Administrative Team. This is my first year at LCC, and in Carlsbad, after a decade in the San Francisco Bay Area, and before that five years in education in Oregon.

As an educator, I taught high school English and Art for 13 years at Hood River Valley High School, Gaston High School, Piedmont High School, and Terra Linda High School. I got my administrative credential while at Terra Linda, and became an assistant principal, with a focus on curriculum and instruction.

I moved to Carlsbad with my wife, Jeannette; my four year old daughter, Ella; and our son, one year old Henry. Actually, as we drove down from San Rafael, I was in the car with houseplants and three cats. My wife may have had the quieter drive. While we are new to the area, it already feels like home; my parents live in the area (and you'll probably see them at a concert, play, or game before the year is out), and everyone we've met has been exceedingly nice to our family.

Over the next weeks and months I look forward to getting to know the students, parents, teachers, and staff. My office is adjacent to the media center, so please feel free to stop by. You can also email me at bjorn.paige@sduhsd.net.

La Costa Canyon is a great place to be, heck, any place with James Garner as its mascot has to be wonderful. In all seriousness, I am honored to serve as your assistant principal, and I look forward to earning the respect and goodwill so many have already shown me.—Bjorn

We thought you might like to know even more. Here are the results from a fun survey Bjorn completed for us!

Where did you go to high school?

North Salem High School (Go Vikings!) in Salem, Oregon. By the way, it was GREAT being named Bjorn at a school with the mascot Vikings!

Which high school grade was the best?

Junior year. Good clean fun.

Which high school grade was the worst?

Senior year. I was very, very, very ready to be in college.

Favorite Teacher in Grades K-12?

Carl Shinkle, English teacher. Funny, kind, and portly. I caricatured, and he was a dream.

Do you have any unusual talents?

I've been know to play horseshoes a bit.

Favorite color?

Blue and Green. As a Maverick would I say anything else?

Favorite Movie?

The Third Man. Quotable, quirky, and filled with zither music.

Favorite Book?

Tough call, as a former English teacher. Dodging the question, I'll just say I'm a big Sherlock Holmes fan.

Strengths?

Modesty.

Weaknesses?

More than I'd like to admit.

PC or Notebook?

PC.

Give or Take?

Yes.

Music or TV?

Music.

Nose Bleed or Paper Cut?

Neither, thanks.

Sponge Bob or Patrick?

Wonderpets.

Aren't both sunny here in North County?

Elf ears or Witch Nose?

Eye patch, hook hand, and peg leg.

Facebook, Myspace, Twitter or Bebo?

Legal pad, #2 pencil, and patience

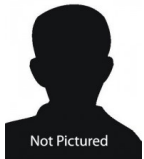

Text or Call?

Call.

Coke or Pepsi?

Coke

Math is ...the universal language, though I was a philosophy major.
