

**START SMART DRIVING SAFETY CLASS
REQUIRED FOR 2022 - 2023**

Start Smart Driving Safety Class is a San Dieguito Union High School District (SDUHSD) required driver safety education class. It is offered as a response to the numerous teen car crashes and related fatalities in our community. All San Dieguito Union High School District students and their parents/guardians must attend a 2-hour Start Smart class in order to obtain a parking permit to park on their school campus.

Officers from the San Diego County Sheriff's Department (Encinitas Substation) or California Highway Patrol will discuss traffic avoidance techniques, collision causing factors, driver/parent responsibilities, seat belt usage, dangers of driving under the influence, and many important safety tips.

Parents are required to remain in the class with their students for the entire 2 hours. Students must attend the class with their own parents/guardians. Attending with a friend's parent does not qualify as credit for the class.

**Classes are free of charge and reservations are required by the hosting high school.
You will receive confirmation of the class.**
