

MAVERICKS ARE...Life-long learners, Collaborative, and Creative!!

Maverick Families:

As we finish up our first week back to school, we recognize there have been some challenges and issues, but the overall sentiment on campus seems to be that we are operating quite smoothly. Our first two days of classes included activities that took place in all classrooms so that we were able to ensure some consistent connections across campus. We are appreciative of our staff who came together over the summer to help program those first couple of days and keep us all on the same page. Students have done a fairly good job of returning to class in a timely manner if leaving campus during lunch. We would like to see a continued focus on timeliness as students arrive on campus in the morning. Please remind your student that 8:30 is not a suggestion, but an actual official start time :).

Our experienced Maverick families may be expecting a "MavConnect" communication. We are currently in the process of revising the structure of the MavConnect to ensure communication is streamlined, clear, and not overwhelming. A new and improved MavConnect will be coming soon. For now, you are subject to the principal's musings and meanderings.

Next Week

- Monday (A) Schedule: Students will be dismissed from 7th period at 2:30 so our staff will have time for collaboration. Please refer to our school calendar and [bell schedules](#) if you have any questions about upcoming days.
- Tuesday (B) Schedule - Pep Rallies are back! Our students will come together during "MavNation" time before lunch, and work on bringing back our sense of school community! Students are released at 3:04.
- Thursday - 7:00pm - Staff v. Students Comedy Sportz in the Theatre. There are at least two administrators planning to play, so this is pretty much guaranteed to be an absolute disaster. It should be fun to watch. All are invited!
- Friday - 7:00pm - Our first Varsity home football game against Vista! Whether you are a football fan or not, this is a Maverick community event. We hope to have a sizable crowd to support our Mavericks, and come together as one voice. If you are planning on attending this game or ANY sports events this year, please remember that we are now CASHLESS. Please see information about purchasing tickets to all sports events [HERE](#).

Back to School Night

As we look out a little further, please mark your calendars for Back to School Night on September 8th starting around 5:30pm. It has been several years since we have had the opportunity for a full Back to School Night on campus. We are excited to share the learning that is happening on campus with all of our families.

Parent Foundation

If you have not done so already, please visit our [La Costa Canyon Foundation website](#) or this [handy one-pager](#) to get involved and support their efforts to enhance academics, arts, and athletics at LCC. We simply cannot offer the next-tier opportunities we have here for students without the support of all of you!
