

New for 2018-2019:

SDUHSD is honored to have been selected by College Board to introduce new resources and materials to students!

- All students will be able to join an online version of their AP Course where teachers assign homework, quizzes and more! (Including access to Khan Academy resources designed for AP!)
- Students will no longer need to bubble in personal information on exam materials on exam day, instead students will have personalized materials pre-made!
- **New Registration Deadlines:**
 - Yearlong AP Courses: **Deadline October 15**
 - Spring Only Semester AP Courses: **Deadline February 15 (i.e. Grade 12 Econ or Gov)**

How to access the resources & register for 2018-2019 AP Exams:

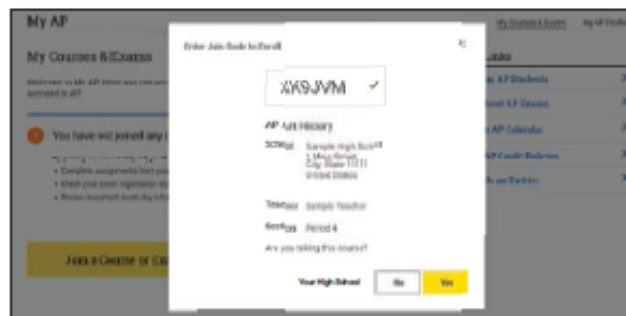

- **STEP 1:** ALL students (regardless of whether they plan to take the AP exam) JOIN the online AP course to allow access to the course resources, homework teachers assign and more:

➡ Visit myap.collegeboard.org

- ➡ Click the [Join a Course or Exam](#) link on the site
- Obtain a Join Code from your AP teachers and submit for **each** course you are enrolled in
- Verify course information and complete the online information page

If you drop a class or change class periods, make sure to drop from the online AP Course and add to the new period/teacher so you can access homework, etc.

- ➡ **If your course is a yearlong course, you must join the course by October 15**
- If your course is a Spring semester ONLY course (such as Econ or Gov), you must join by February 15**

- **STEP 2:** Submit payment for the exams that you are **choosing** to take in May 2019 by visiting <http://sduhsdapexams.com> before the payment deadline
 - ➔ If your course is a yearlong course, submit payment for the corresponding optional exam between September 1 and **October 15**
 - ➔ If your course is a Spring semester only course, submit payment for the corresponding optional exam between January 25 and **February 15**
 - Exams will not be ordered without payment submission
 - Students in Spring semester classes can join Spring courses and submit payment for the corresponding exams **ONLY** in the Spring (starting January 25)

Frequently Asked Questions:

- **What if you can't log into your College Board account?**

Don't create a new one! Each student should have only ONE College Board account which houses AP, PSAT and SAT scores and information. For log in help visit: <https://pages.collegeboard.org/account-help> or <https://myap.collegeboard.org>
- **What if you change teachers?**

Make sure to ask your previous teacher to drop you from the online course and JOIN the new period. You can also email aptestservice@gmail.com to request an update to your account. *(This doesn't replace seeing your school counselor or SDUHSD class add/drop policies!)*
- **What if you want to use the course resources but don't want to take the exam?**

No problem! Join the course online & simply do not submit payment for the exam. BOTH joining a course on myap.collegeboard.org AND payment submission on sduhsdapexams.com before the deadlines are needed for your May 2019 AP exam(s) to be ordered.
- **What if you have other questions?**

Detailed information and registration regulations as well as more FAQs are posted on <http://sduhsdapexams.com> Be sure to review them & make an informed decision by the deadline
