Welcome Back!

It feels so great to welcome you to our 2021-2022 school year and back (finally) to in-person learning. The LCC Foundation exists solely to support and enhance our school's Academic, Art, and Athletic programs. The San Dieguito Unified High School District covers our basic educational needs, while the Foundation funds supplemental courses, equipment, coaches, and technology that enrich the LCC experience. The Foundation relies on your donations to provide funding for a deeper, richer educational experience.

Our goal is always for 100% participation no matter how much a family gives. If you have never supported us before, a simple way to begin is by considering a "dollar a day" for every school day of the year (that would be \$180), but no gift is too small or too large!

Please join us as we raise money to help make LCC the school we are all proud of, and thank you for your generous support!
