August 9, 2020

Dear Maverick Families,

I hope this message finds you well and enjoying your summer. The purpose of this communication is to provide some updates for LCC and access to our **"Digital Business Days."** August 25th will be the first day of school and our launch of a robust Distance Learning model for the full first quarter of the 2020-21 school year. In addition, this year is a landmark year for LCC as we are celebrating 25 years of providing a world class education to our LCC Community. This year's focus for our staff and students will be, "Wellness and Engagement-All Mavericks!" Together, as a family, we will provide high quality education and support to meet the needs of all our students. I also want to take this time to welcome our new Assistant Principal, Dr. Robert Caughey, who is joining us from San Dieguito High School Academy. Dr. Caughey brings with him a wealth of experience as an administrator and educator in the San Dieguito Union High School District.

### **Digital Business Days**

As we enter the 2020-21 school year, it is essential that all families review the following "[Digital Business Days](#)" forms and important information. Please be sure to review each item carefully and complete the necessary forms required for each student. If you need support or have questions, we are here for you. Please access the forms by clicking [HERE](#).

### **Distance Learning Parent Presentation and Q&A With LCC Administration**

Please save the dates. We look forward to providing a parent training and presentation on the Distance Learning Platform. The digital presentation will be sent out on Friday, **August 14th** and will be available on our [LCC website](#). We will hold a Q & A with LCC Administration on Wednesday, **August 18th** to provide information and address questions. I will send out details on how to access and participate in the Q & A session in the near future.

Have a great evening and we look forward to partnering with you to serve our LCC Community. Go Mavs!

Sincerely,
